11. National Anthems (India & Canada)

Dear Friends,

As the President of KCABC for 2009, it is my pleasure and honor to welcome you all to the Kerala Night 2009! This year we celebrate the 20th anniversary of our Association. Since it's inception in 1989, KCABC has come a long way in it's pursuit for the welfare and prosperity of Malayalee Community living in British Columbia. First of all, let me thank the people who have led this organization & those who have really embodied the mission of this organization to maintain the heritage of Kerala culture & foster the friendship among the Malayalee community in this area. Our Association is a wonderful reminder of just who we are as a community of Kerala origin.

This year the board of KCABC started their activities with the Republic Day celebration at Indian Consulate where we made a great impression by singing a song of national integration. We also took part in the programs of Ridge Meadows East Asian Cultural Society and the Delta Arts Council. I want to express my thanks to Kristen and Sunny Prabhakar for taking the initiative for these programs. With the help of our founder President Joe Puthen and a very active member Beena John, we have started a Free English Exam Prep course. This is an eight week refresher course for the Malayalees wanting to improve their English for exam and career purposes. Thank you Joe and Beena for this noble initiative. We are also continuing with the free Malayalam classes aimed at reaching students of all ages. A novel initiative we are starting soon is the free year-round dance classes for the kids organized by Kristen, our Arts club director.

Programs of the Kerala Night have been planned to create an opportunity for the members of our community to showcase their talents. We have planned a variety of events and activities for the rest of the year as listed in the program calendar. I urge each and every one of you to support the Association activities by volunteering and getting involved, so that in the coming years , we will see an organization that's more vibrant and stronger.

*Together we will not fail.*

With warm regards,  
Sunil George
